

2026 BCHNEG Membership Form

MAKE YOUR VOICE COUNT!

If you ride any public land trails YOUR VOICE NEEDS TO BE COUNTED!!! BCH is the organization that speaks for horseback riders about our right to ride on public lands and keep the trails open. Every BCH membership counts when our representatives talk to legislators. We work on a local, state and national level. Please join today and make your voice known that you care about keeping trails open for equestrians!

*When you join BCHNEG, you will be a member of the state and National Back Country Horsemen of America.
www.bcha.org*
